A photograph showing two individuals in the ocean. On the left, a person wearing a wide-brimmed straw hat and a dark long-sleeved shirt stands near a concrete pier. On the right, a man in a light blue t-shirt, dark shorts, and a dark baseball cap is wading in the water. He is holding a long, green net that stretches across the water. The net is marked with a series of clear plastic bottles tied to it, which serve as floats. The water is dark blue with some white foam from waves. The overall scene suggests a marine activity, possibly related to environmental monitoring or research.
